Description of Material:

Comments:

I hereby unconditionally and irrevocably transfer to the Sholesonian the property described above (or on attached sheet) for its unrestricted use. I waive all present or future right, title and interest in said specimens, in their use or disposition, for myself, my distributees and personal representatives, except as noted above (if applicable). I certify that I have legal ownership of these specimens and/or legal right and absolute authority to authorize transfer of their ownership. I certify that, to my knowledge, all specimens were collected and transported under ethical circumstances and in accordance with international, national, tribal, state, provincial, and municipal laws, and I can provide permits and accompanying paperwork, depending on the country of origin, in order to prove their legality. I have read and agree with these terms.
